Re: 1704 10th Street, NW, Design Concept and Extended Stair Case

Dear Chairwoman Heath and Chairman Marcou,

Advisory Neighborhood Commission 6E conducted a public meeting on Tuesday, February 6, 2018 at the Watha T. Daniel/Shaw Library, 1630 7th Street, NW, to consider the above-referenced matter.

At the Commission's meeting, duly noticed and with this case listed in the notice, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted unanimously (6 in favor, 0 opposed, and 0 abstention) to support the design concept at 1704 10th Street, NW. Additionally, ANC 6E voted unanimously (6 in favor, 0 opposed, and 0 abstention) to support a waiver from the Public Space requirements for a staircase to extend into public space further than typically allowed.

ANC 6E noted that the applicant met with the local civic association and received its support for the design upon the agreement that construction does not begin before 8:00am at any point during the week. Contingent on construction not beginning before 8:00am, ANC 6E encourages the Board to approve the design concept and the Committee to approve the extended staircase.

Respectfully Submitted,
