Re: 923-927 5th Street, NW

Dear Chairwoman Heath,

Advisory Neighborhood Commission 6E conducted a public meeting on Tuesday, March 6, 2018 at the Watha T. Daniel/Shaw Library, 1630 7th Street, NW, to consider the exemption and variance requests for the above-referenced property.

While the Commission voted in favor of supporting the owner's application for exemption and variance requests before the DC Board of Zoning Adjustment, it did not take any official action on its HPRB application. The applicant will appear before ANC 6E on April 3, 2018, where the Commission will take a vote on the applicant's HPRB application. At this time, as the Commissioner for ANC 6E05 (where the property is located), it is my intention to support the applicant's HPRB application, and recommend to the Commission that we vote in favor of the applicant.

We thank you for your time and consideration of this matter.

Respectfully submitted,
