Re: 1735-1737 10th Street, NW

Dear Chairwoman Heath,

Advisory Neighborhood Commission 6E conducted a public meeting on Tuesday, April 3, 2018 at the Watha T. Daniel/Shaw Library, 1630 7th Street, NW, to consider the new construction plans at the location referenced above.

At the Commission's meeting, duly noticed, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted (6 in favor, 0 opposed, and 0 abstention) to support the overall massing and concept design for a new construction at 1735-1737 10th Street, NW.

The Commission's support is contingent upon the developer continuing to work with HPRB staff to address concerns related to the amount of fenestration on the 10th Street façade, and materials and color palettes for both the 10th Street and alley façades. Thank you for your consideration of this matter.

Respectfully submitted,
