Re: 923-927 5th St., NW

Dear Chairwoman Heath,

Advisory Neighborhood Commission 6E conducted a public meeting on Tuesday, April 3, 2018 at the Watha T. Daniel/Shaw Library, 1630 7th Street, NW, to consider the concept design for the construction at the above referenced location.

At the Commission's meeting, duly noticed, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted (6 in favor, 0 opposed, and 0 abstention) to support the general concept of the planned hotel construction at 923-927 5<sup>th</sup> St., NW.

The Commission understands that HPRB has already voted to approve the massing and general concept of the project, however, the applicant requested that ANC 6E take official action to support the general concept as well. The Commission endorses the approval of the HPRB, and appreciates its consideration of the matter.

Respectfully submitted,
