Re: 1017 7 St., NW

Dear Chairman Marcou,

Advisory Neighborhood Commission 6E conducted a public meeting on Tuesday, September 3, 2019 at the NW One Library, 155 L Street, NW, to consider the applicant's request for a public space permit. The permit would be for the ADA compliant access platform for Pearl's Bagels entrance.

At the Commission's meeting, duly noticed, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted unanimously (5 in favor, 0 opposed, and 0 abstention) to support the applicant's request, conditioned upon the following recommendations:

- a)** The bike racks that are immediately adjacent to the ramp be relocated as close as possible to the current condition and reoriented to allow for easier pedestrian passage; and
- b)** the tree box closes to the premises is preserved.

Thank you for your consideration of this matter.

Respectfully submitted,
