IV. SPECIAL GUEST: MID-CITY FINANCIAL PRESENTATION ON PLANS FOR WASHINGTON APARTMENTS, 1200 BLOCK OF 5TH STREET, NW [6E03]

The presenter provided a brief preview and renderings of Mid-City Financial's plans to replace the Washington Apartments complex with a 365-unit residential development. They have not filed a PUD yet, but will be returning to the ANC later in the year. They have owned the property for many years and it is currently vacant. The block is long and thin; there will be two courtyard buildings to break down the scale of the building.

V. 504 K STREET, NW (7-ELEVEN): PRESENTATION BY 7-ELEVEN ON THE ANTICIPATED MT. VERNON TRIANGLE LOCATION [6E05]

Representatives of 7-Eleven were present to respond to multiple issues raised by ANC 6E commissioners relating to the anticipated location of a twenty-four hour 7-Eleven with outdoor seating at 504 K Street, NW. The 7-Eleven will be selling tacos, different types of salsa, and will have an ice cream station.

A lengthy question and answer period followed. Issues raised were: this particular block is a real hot spot and how is a single 7-Eleven clerk able to police this area? Added to this is a concern that there will be a new liquor store going in next door. Questions were raised as to the proposed patio area outside and how it will be maintained for cleanliness. Another issue raised was management of trash. ANC 6E previously filed an objection to the footprint outside and asked whether 7-Eleven had any changes regarding this. 7-Eleven responded they will maintain an 8' wide sidewalk. They also stated that there will be more than one clerk and they anticipate having four (4) employees at all times. They will work with the local police, will provide security, and will have cameras. The outdoor seating will close at 11:00 p.m. and they are talking about chaining the tables and chairs and/or moving them inside.

Commissioners were asked to provide comments. Commissioner Padro stated he has a 7-Eleven in his SMD and they have been obstinate and uncooperative. Further, there are nuisances associated with this 7-Eleven. Managing trash is a huge issue and outside seating would exacerbate this.

Commissioner Rogers stated there are rats and crime in this neighborhood, to which 7-Eleven responded they will work with the Health Department. A question was raised as to whether tobacco and lottery tickets would be sold to which 7-Eleven responded affirmatively.

Commissioner Marriott noted that 7-Eleven is willing to sign a Settlement Agreement. Their hearing is on July 25, 2019.
