Re: 441 M St., NW

Dear Chair Heath,

Advisory Neighborhood Commission 6E conducted a virtual public meeting on Tuesday, July 7, 2020 to consider the application for a concept review at the above referenced address.

At the Commission's meeting, duly noticed, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted unanimously (4 yea, 0 nay, 0 abstention) to adopt the HPRB staff report in regard to 441 M St. NW and recommended that HPRB work with the applicant to continue to refine the property so that it is in better keeping with the Historic District in achieving as many of the goals of the owner in terms of usability of the building. It was also noted the apparent massing of the building should be in character with the Historic District.

Thank you for your consideration of this matter.

Respectfully submitted,

Rachelle Nigro
