Re: 509 O St., NW Request for Special Exception Relief

Dear Chair Hill,

Advisory Neighborhood Commission 6E conducted a virtual public meeting on Tuesday, July 7th, to consider the support for an application for special exception relief at 509 O St. NW for building glass railings 42” in height without any offset.

At the Commission’s meeting, duly noticed, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted unanimously (4 in favor, 0 opposed, and 0 abstention) to support the special exception relief for building glass railings 42” in height without any offset.

Thank you for your consideration of this matter.

Respectfully submitted,
