Re: Addendum to November 19<sup>th</sup>, 2020 Letter to HPRB 1320-1322 8<sup>th</sup> Street NW (20-471)

Dear Chair Heath:

This letter serves as addendum to the letter submitted to HPRB on November 19<sup>th</sup>. To clarify the developer did make additional changes to the plan. Changes included:

- Setting the penthouse an additional seven feet back.
- The penthouse is now set in on each side three feet.
- The penthouse is one foot lower.

To reiterate the Commission did vote in favor to support the Concept Design for the redevelopment, (5 yea, 0 nay, 0 abstention) subject to the requirements of demolition on the site and inclusion in the project of adjustments to the design.

Thank you for your consideration of this matter.

Respectfully submitted,
