Re: 925 5<sup>th</sup> St. NW

Dear Chair Heath,

Advisory Neighborhood Commission 6E conducted a virtual public meeting on Tuesday, December 1, 2020 to consider the request for support for the concept review for 925 5<sup>th</sup> Street NW

The Commission is pleased the developer will be preserving the historic Director's Corn Beef, which will be restored to its original condition. The exterior design incorporates a glassy, warehouse like appearance and the penthouse will include amenity space and green space keeping the appropriate setbacks. The building will fit well with the surrounding high-density structures.

At the Commission's meeting, duly noticed, with a quorum present (four out of seven Commissioners required to be in attendance to achieve a quorum), ANC 6E voted unanimously (4 yea, 0 nay, 0 abstention) to support the concept review for 925 5<sup>th</sup> Street NW.

Thank you for your consideration of this matter.

Respectfully submitted,
