My Ly Design

CULTURE

Designer My Ly. Photo by Kilian Liprot // @kilianliprot.

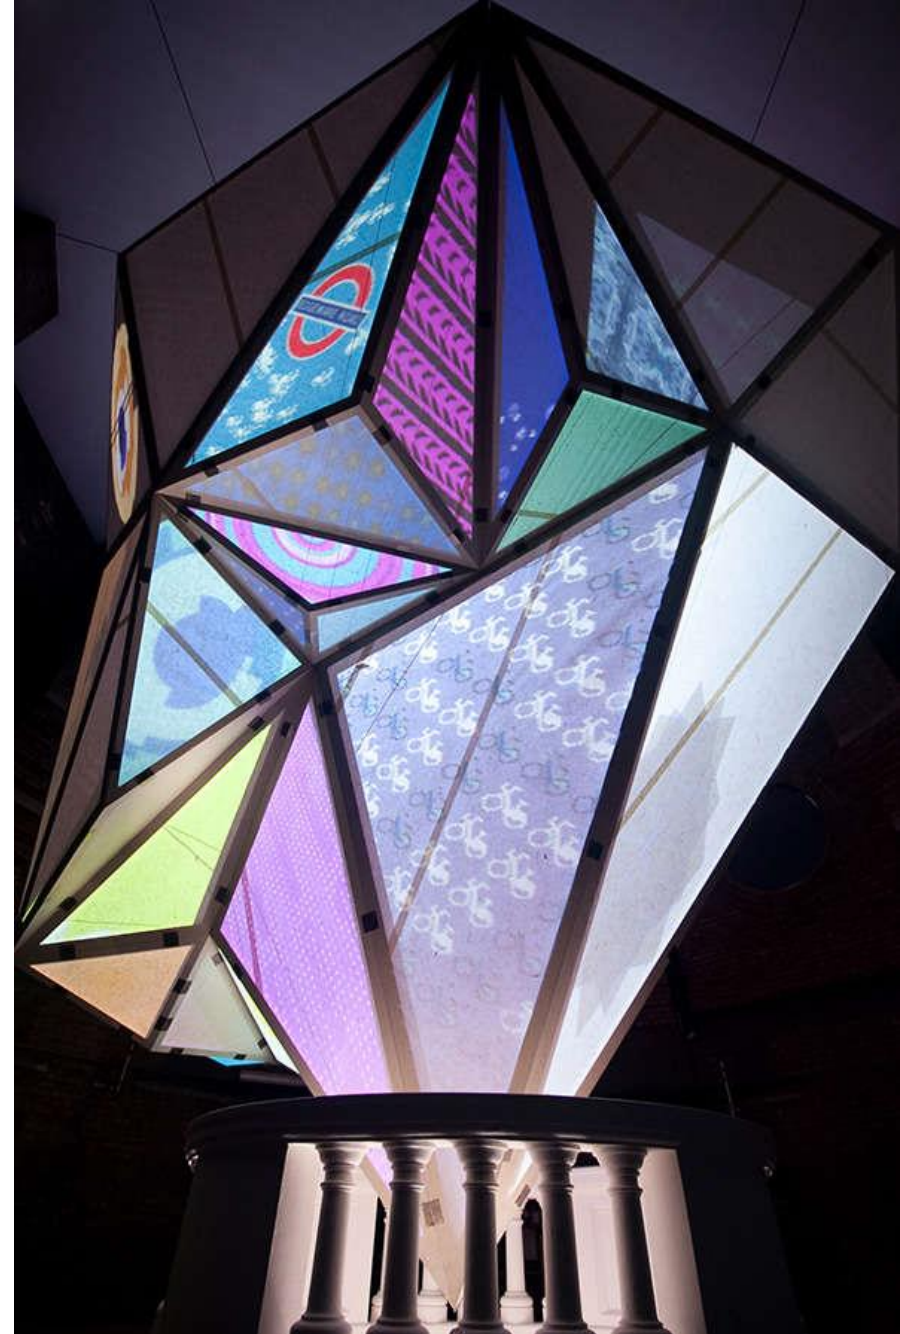

Designer My Ly Creates Long-Lasting Designs that Exist for the Community

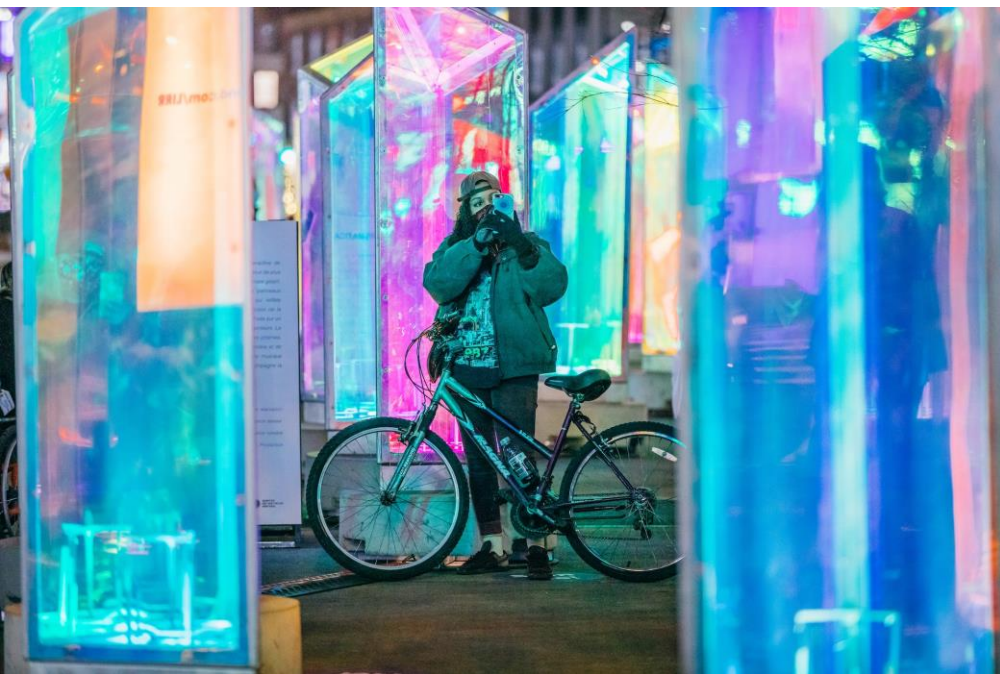

Previous MVT Work: “The Reopening” Mural

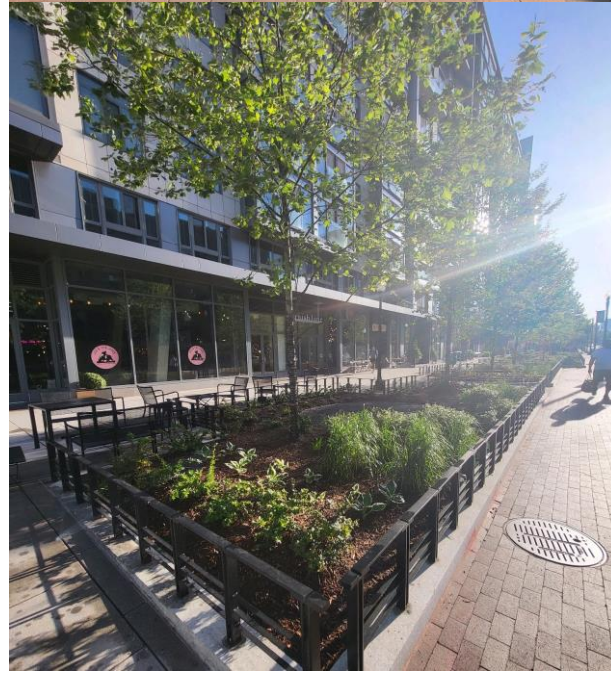

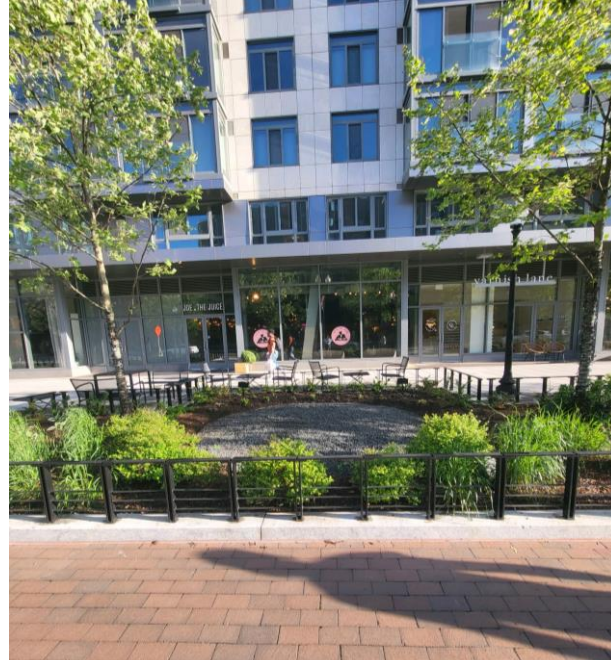

Precedent Images

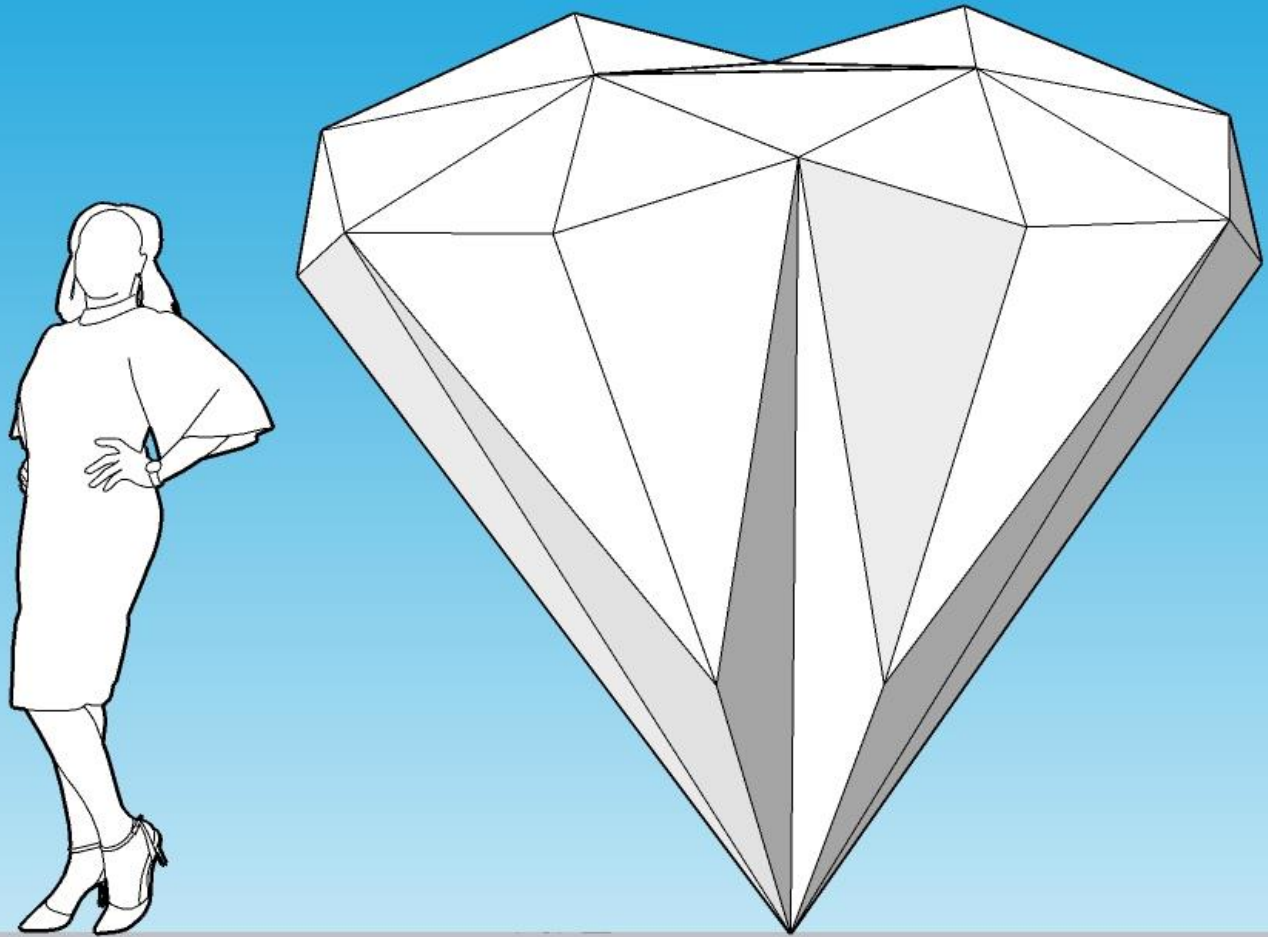

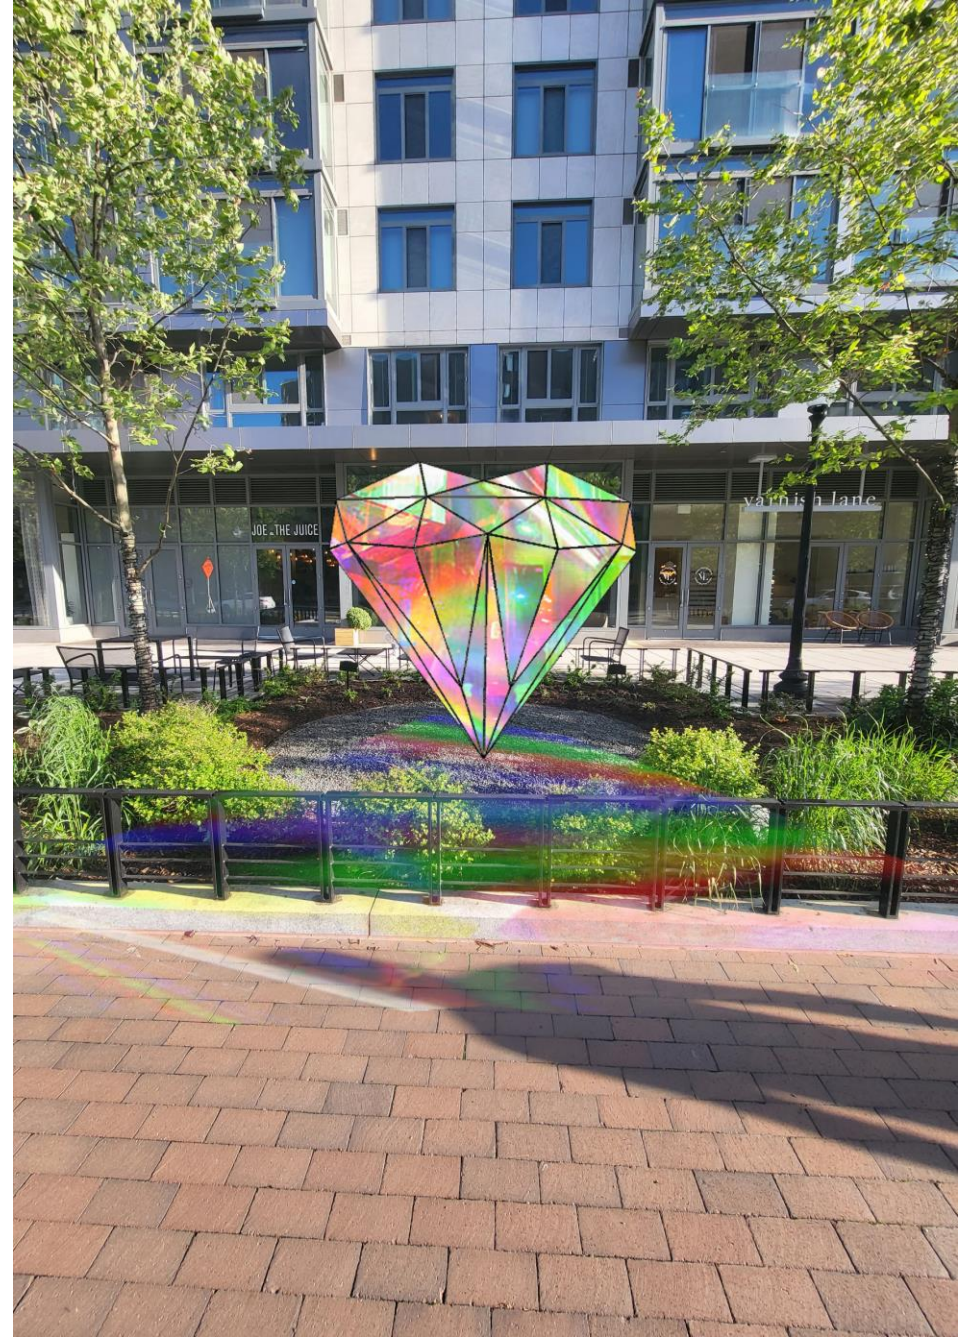

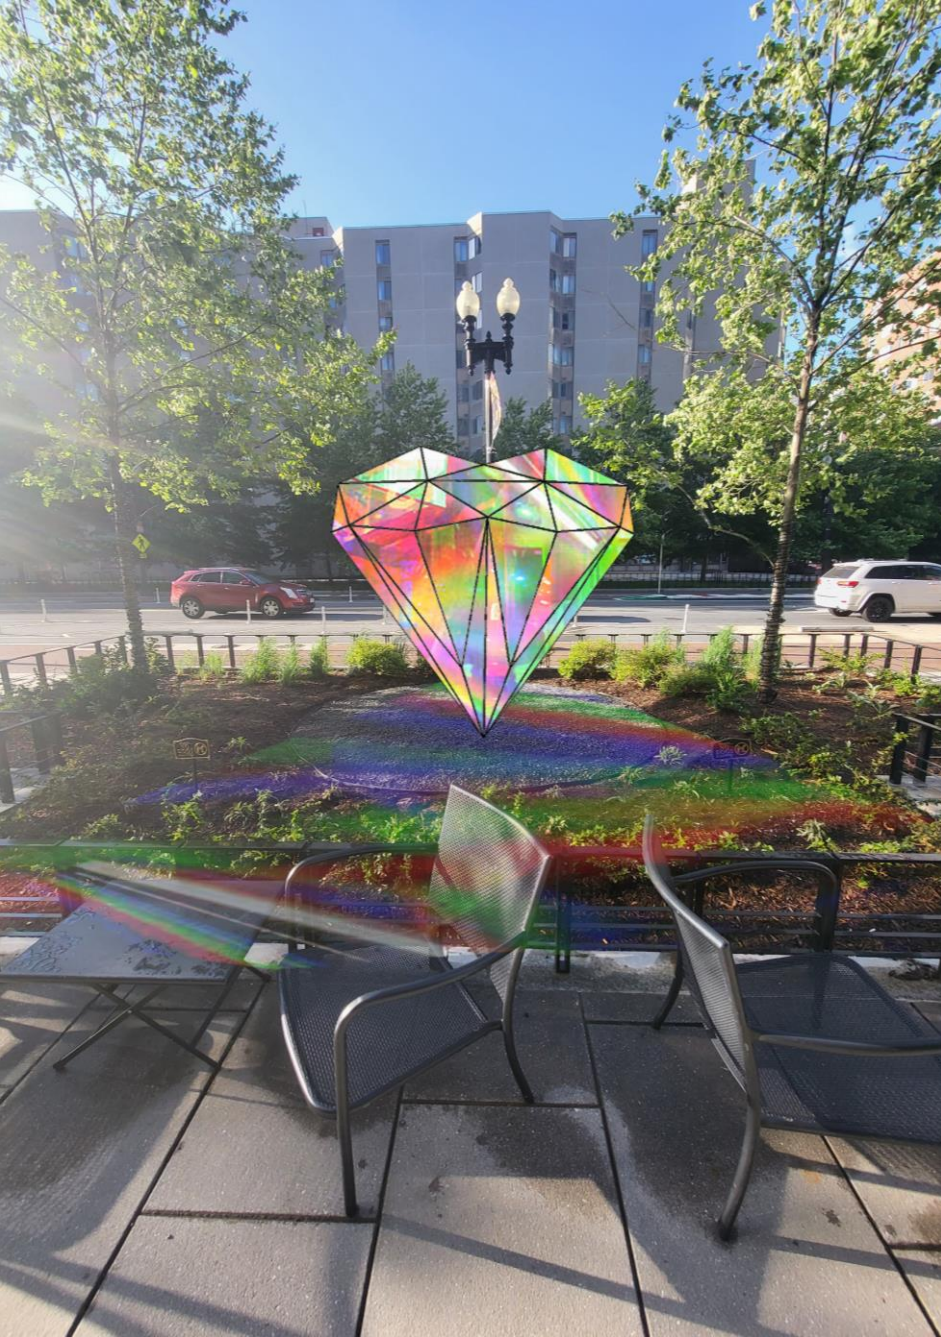

Site Location:
400 K Street NW
[Lydian Apartments]

Proposed Art

Series of triangles that combine to form a heart

Potential Project Names

- “Heart of the City”
- “Heart of the District”
- “Heart of DC”

Double emphasis on MVT as both a “place” (i.e., geographically) as well as a “vibe” (i.e., inclusivity)

Project References (“As Known As”)

- Heart Public Art
- Heart Public Art Installation
- Public Art Heart Sculpture
- Public Art Heart Installation

Materials

- Sculpture dimensions 7' tall x 5'-6" wide plus base
- Acrylic plexi-glass (prism finish for daytime illumination)
- LED Lighting (for evening illumination; type TBD – strips)
- Steel Frame (for fastening)
- Concrete Base (including footings)
- Motorized Cylindrical Steel Tube (for spinning)
- Grouted & Sealed (for weatherproofing)

Addendums

- Project team anticipate the following will be required upon grant award:
 - Structural engineering study for load & wind analysis
 - Approval from DDOT Urban Forestry & Public Space Committee
