TAKE THE COMMUNITY SURVEY

The DC Public Library is conducting a brief survey to gather feedback from residents who live near the Northwest One Library located at 155 L Street NW, adjacent to the Walker Jones Education Campus.

We are planning for the future. In 2029-2030, DCPL envisions replacing this small branch with a larger, full-service library, relocating it north of New York Avenue.

Are there other city services or programs that you think might be appropriate for the existing space? Participants can enter to win a free \$25 gift card to Harris Teeter (up to five prizes awarded). The deadline is May 10, 2023 at midnight!
