Re: ANC 6E Resolution in Support of TOPS # 432620 – Proposed Streetscape Improvements at 111 Massachusetts Avenue NW by Georgetown University (“Applicant”)

Dear Members of the Public Space Committee:

At a regularly scheduled and properly noticed meeting held on December 5, 2023, with a quorum of 6 of 9 commissioners being present, Advisory Neighborhood Commission (“ANC”) 6E voted to support the Applicant’s request for approval of the aforementioned applications in TOPS # 432620. The resolution was approved by a vote of 6-0-0. (Note that three members were not present and not voting). ANC 6E supports the proposed streetscape improvements, including in particular the proposed linear park along New Jersey Avenue, and believes that they will enhance the public realm at this location.

Please feel free to contact the undersigned if you have any questions or comments regarding this letter.

Sincerely,
