Re: ANC 6E Resolution in Support of TOPS # 435365 – Proposed Micromobility Corral and Flexposts by Mount Vernon Triangle Community Improvement District (MVT CID) (“Applicant”)

Dear Members of the Public Space Committee:

At a regularly scheduled and properly noticed meeting held on January 9, 2023, with a quorum of 9 of 9 commissioners being present, Advisory Neighborhood Commission (“ANC”) 6E voted to support the Applicant’s request for approval of the aforementioned applications in TOPS # 435365. The resolution was approved by a vote of 9-0-0. ANC 6E supports the proposed improvements, which will increase available parking facilities for bicycles and other micromobility devices, and ensure access to the garage and service entrance to 555 Massachusetts Ave., NW. These entrances are often blocked by vehicles who park illegally. ANC 6E believes these improvements will mitigate the issue.

Please feel free to contact the undersigned if you have any questions or comments regarding this letter.

Sincerely,

Chris Hart
Chairperson, ANC 6E
