Dear Mr. Jones:

On March 26, 2024, at a duly noticed and regularly scheduled meeting of Advisory Neighborhood Commission 6E ("ANC 6E" or "Commission") conducted virtually via videoconference and with a quorum of 7 out of 9 Commissioners and the public present, ANC 6E approved the following resolution by a vote of 7 for, 0 against, and 0 abstentions:

WHEREAS, the Duties and Responsibilities of the Advisory Neighborhood Commission Act of 1975 grants ANC 6E the responsibility to advise the Council of the District of Columbia, the Mayor, and each executive agency and all independent agencies, boards, and commissions of the government of the District of Columbia with respect to all matters of District government policy, including decisions regarding planning, streets, recreation, social services programs, education, health, safety, and sanitation which affect the ANC 6E area;

WHEREAS, on January 25, 2024, Commissioner Davina Carson sponsored a community walk in SMD 6E07, during which the issue of a safe drop off zone for parents bringing their children to the daycare located at 240 K St., NW was raised by the commissioner;

WHEREAS, DDOT Ward 6 Liaison Abraham Diallo confirmed via a March 7, 2024, email that, according to DDOT records, a PUDO zone was previously installed on the east side of the 900 block of 3rd Street, NW, at the intersection with K St., NW, and that the PUDO zone signage was removed at an unknown time;

WHEREAS, a review of historic Google Street View images shows that the PUDO signs were present as of September 2021 and screen shots of those signs are included as an attachment to this resolution;
