Comprehensive Plan Future Land Use Map Amendment  
Tracking Number: 2349**

Dear Ms. Bird and Ms. Willger:

Please be advised that Advisory Neighborhood Commission 6E at its regularly scheduled October 2, 2018 public meeting during which a quorum was present voted 7-0-0 to support the above referenced Comprehensive Plan Future Land Use Map Amendment for the Holy Redeemer Catholic Church site at 206 New York Avenue, N.W., Square 557, Lot 140, comprising of approximately 38,382 square feet of land area.

The amendment seeks to extend the medium density residential, medium density commercial land use map designation which is west across New York Avenue to the subject site which is presently designated medium density residential only.

The Commission believes that this change to the Future Land Use Map will enhance the subject property and the surrounding community. During the comprehensive review process, we look forward to the Office of Planning according the great weight to which the ANC recommendation is entitled.
