**Re: ANC 6E Resolution in Support of application for a modification of
consequence to BZA Order No. 20523A at 300 New Jersey Avenue NW**

Dear Chairperson Hood and Members of the Zoning Commission:

At a regularly scheduled and properly noticed meeting held on June 6, 2023, with a quorum of 6 of 9 commissioners being present, Advisory Neighborhood Commission (“ANC”) 6E voted to support BZA Order No. 20523(1) at 300 New Jersey Avenue NW. The resolution was approved by a vote of 6-0-0 (one seat was vacant and one commissioner was absent).

ANC 6E supports the design revisions proposed by the Applicant, which include converting 1,020 square feet into habitable space and creating an additional 6,000 square feet of additional habitable space. Additionally, the ANC supports revisions being made to the window mullions.

The ANC is excited to see the proposed project move forward and urges the Commission to approve the requested modification.

Please feel free to contact the undersigned if you have any questions or comments regarding this letter.

Sincerely,

A handwritten signature in black ink that reads 'Christopher A. Hart'.

Chairperson, ANC 6E
