

Short-term Parking Zones: "Quick Curbs"

The Short-term Parking Pilot Program (Quick Curbs) will allow users to pay for up to 10 minutes of parking in busy commercial areas. Drivers may also use the zone without payment for loading passengers or goods but must remain with their vehicle. Unattended vehicles without a paid parking session are subject to citation.

Where are Quick Curbs in my neighborhood?

- 1900 block of 14 St. NW (east and west curbs)
- 400 block of K St. NW (north and south side curbs)
- 1300 block of 1st St. SE (west curb)

How do I use Quick Curbs?

Use Quick Curbs as you would any other mobile payment zone.

1. Park your vehicle.
2. Enter your vehicle information and the parking zone number in the Parkmobile app.
3. Select the amount of time you require and pay.

Don't have the Parkmobile app? Simply text "Park" to 77223 and follow the instructions texted back.
